HARRISON STATION, Another Yellow-Fever Case that Prob ably Resulted Fatally Last Night Probable Infection from the Morris Cases.

President Langstaff, of the Howards, arrived late last night from Harrison Station, and reports that the illness of Mr. Crow i pronounced genuine yellow-fever. President langstaff was accompanied by Howard phy-icians, Drs. Wise and Sim, and Visitor Stoddard. Drs. Wise and Sim had an excellent opportunity of diagnosing the case and ared at their conclusions readily, as Mr. Crow had been ill four days. A child of Mr. Crow's died Sunday of suspicious symptoms, but there was no conclusion reached as

MISS CLARA CONWAY...PRINCIPAL

Modern in Method. Therough in Work. Non-sectarian in Character. THE Principal of the school takes this method of saying to the people of Memphils, that EDUCATION, IN 178 ONE TRUE SENSE, is the object of her work, and that he school for girls is the result of a close and careful undy of the best school systems and the best inon, at of the leading educators of the world. All false and injurious processes of a decial growth have been carefully avoided, and only such methods used as will seven a full, healthy and harmonious growth toward and the fall womanly womanlood. As heretone, Physical Culture will receive the attention its in ortance demands. Education after the method the Beston School of Oratory. Object lessons in the Primary Department upon the plan defined by Prof. Goodele, of Harvard University, and daily lessons in every department upon Health, Current Events and Topics of General Interest. Drawing will be included in the Primary Course, and Franch in the Intermediate. A thorough three-years course in English Litterature, by extra work in the study of German and French authons.

The Primcipal of the school will give her personal attention to each department.

The Kindelegarten will be under the charge

The Principal of the school will give her personal attention to each department.

The KINDERGARTEN will be under the charge of Mrs. R. C. James, an accomplished graduate of the training-school of Mrs. A. B. Ogden. Number timited to the training school of Mrs. A. B. Ogden. Number timited to the training school of Mrs. A. B. Ogden. Number it imited to the training school of Mrs. A. B. Ogden. Number it imited to the training school of Mrs. A. B. Ogden. Number it imited to the training school of Mrs. A. B. Ogden. Number it imited to the training to deprive a little one of this beautiful mental. moral and physicial health giver, it is important that application for seats be made at once.

Pupils in all departments are expected to enter at the beginning of the term.

A RE now ready to gin all cotton consigned to them, and will furnish sacks to parties destring to gin with them. They are using the Champion Sins and Huilers and a complete Cotton Cleaner, and their gins are superior to any in this city. J. V. PATRICK, Prop'r. Foot of Exchange, near river.
